

**P**ractical tools and training for spiritual growth, leadership development and church planting. The best of DCFI's nine month in-house training school packaged into a Video Satellite School or Video Correspondence School. Learn the same dynamic cell-based church building principles in your own home or at your church by using these videos and an easy-to-follow class notebook. All modules are recently updated and revised!

### Satellite School

Purchase the modules and set up your own in-house satellite school. Homework and tests are reviewed by your local satellite school leadership. Buy all three modules for \$1,295. This works out to an incredible \$432 per module! Modules can be purchased separately for \$495 each.

### Correspondence School

View the videos, complete the homework and tests, all in your own home. After completing the classes, you return the videos to CPLS. There is a one-time application fee of \$65. Tuition cost is \$295 per module. You will have four months to complete the course work before returning the videos. A certificate is given upon completion of each module.

### Your Instructors

This intensive training school contains a wealth of knowledge from experienced leaders. Each module consists of classes taught by various experienced leaders from DCFI and other ministries.

### Three Steps

The School is divided into three self-contained modules each consisting of 45 video classes.

### How do I get started?

**Satellite School** - Fill out the response form on this brochure to order your school. A "how to" instructional packet will be included to ensure the success of your Satellite School.

**Correspondence School** - Contact CPLS for your student application.
